INDEX: VOLUME 87

Acacia watchers wanted notice, 242

Acarina (Acari), 233, 292

Acilius, new subsp. from s.e.U.S., 11

Alderfly *Sialis itasca,* new record for West Va., 32

Alexander, C.P., 1
New exotic crane flies, Pt. XXVI

Anepeorus simplex, recent collections of, from Wabash Riv., Ind., 237

Ant *Myrmica laevinodis,* extraordinary high mating swarm of, 86

Anthocoridae, 103

Aphididae, 280

Araneae (Araneida), 203

Aristapedia in a Hymenopteran parasitoid, 98

Asadi, G., 299

Ashley, D.L. 32

Askari, A., 299

Barrows, E.M., 101
Sexual behavior in *Hyposoter fugitivus*

Bat flies, record of some from Turkey, 239

Bathyplectes anurus, courtship behavior in, 271

Belostomatidae, status of names publ. by J.N.F.X. Gistel, 167

Bembidion, distrib. records of, 159

Bembidion rufotinctum, rediscovery of, 159

Black-light trap, low cost battery powered, 179

Bolitotherus cornutus, new sp. of Acaridae on, 233

Book review, 111, 185, 186, 236, 238, 243, 244, 303

Bracon lefroyi from Iran, study of, 299

Burke, H.R., 229
Obs. on adult behavior of lycid beetle, *Calopteron terminale*

Carabidae, 159

Carlson, P.H. 237

Carrion beetle responses to poikilotherm & homoiotherm carrion, 265

Carrion beetle traps, 176

Chandler, L., 179

Chironomidae, 245

Chthoniidae, 211

Cicadellidae, 171

Cinara abieticola, notes on biology of, in Maine; descrip. of sexuales, 280

Classification of Coleopteran larvae, morphological characters used in, 249

Climacia areolaris in Lk. Texoma, Texas & Oklahoma, 287

Clinotanypus pinguis, feeding habits of, 245

Coleoptera, 11, 159, 176, 229, 233, 249, 256, 265

Colopteron terminale, obs. on adult behavior of, 229

Cooper, C.M., 57

Cooper, K.W., 159
Rediscovery of *Bembidion rufotinctum,* with range & distrib. records of *Bembidion* & Carabidae

Corydalidae, 223

Crane flies, new exotic, Pt. XXVI, 1

Damselflies, notes on some from Calcutta, 295

Deonier, D.L., Kincaid, S.P., Scheiring, J.F., 257
Substrate & moisture preferences in common toad bug, *Gelastocoris oculatus*

De Viedma, M.G., Nelson, M.L., 249
Significance of morphological characters used in higher-level natural classification of Coleopteran larvae

Diplocentrus whitei, redescrip. of, 49

Diptera, 1, 38, 39, 87, 113, 184, 239, 245

INDEX (Continued)

Downing, W., 38
Unusual rearing of *Solva pallipes*

Dragonflies, aberrant reproductive behavior patterns of, in human-impacted habitats, 181

Dytiscidae, 11

Ellipsopus ornatus, new genus & sp. phoretic on *Bolitotherus cornutus,* 233

Enicospilus americanus, aristapedia in, 98

Ephemeroptera, 237, 264

Evans, H.E., 33
Nesting behavior of *Trichogorytes cockerelli*

Fain, A., Ide, G.S., 233
Ellipsopus ornatus, new genus & sp. of Acaridae phoretic on beetle *Bolitotherus cornutus*

Farmer, R.G., Tarter, D.C., 17
Distrib. of superfamily Nemouroidea in West Virginia

Fishflies, new state records of, 223

Flies, synanthropic, 113

Formicidae, 86

Francke, O.F. 75
Redescrip. of *Parascorpiops montana*

Freytag, P.H., 171
New sp. of *Scaphoideus* from Formosa

Gammon, J.R., 237

Gelastocorus oculatus, substrate & moisture preferences in, 257

Gibbs, K.E., 184

Goodwin, J.T., 223

Gordh, G., Hendrickson, R., 271
Courtship behavior in *Bathyplectes anurus*

Grylloblatta campodeiformis, sense organs on antennal flagellum of, 275

Hemiptera, 25, 29, 61, 103, 167, 257, 271

Hendrickson, R., 271

Henry, T.J., 25

Henry, T.J.
New *Saileria* from eastern U.S., 29

Rev. of *Reuteria* & descrip. 2 n. sp., 61

Heptageniidae, 237

Homoptera, 171, 280

Hubbard, M.D., Nagell, B., 86
Note on extraordinary high mating swarm of ant *Myrmica laevinodis*

Hubbard, M.D., Peters, W.L., 264
No. of genera & sp. of mayflies

Hussain, M., Askari, A., Asadi, G., 299
Study of *Bracon lefroyi* from Iran

Hymenoptera, 33, 86, 98, 101, 113, 218, 299

Hyposoter fugitivus, sexual behavior in, 101

Ichneumonidae, 98, 101, 271

Ide, G.S., 233

Idiostatus, new sp. of, 145

Internat'l. Commiss. on Zool. Nomenclature, 60, 188, 228, 248

Kapoor, V.C., 292

Katydids, Costa Rican, systematic behavior & bionomics of, 189

Katydids, coxo-sternal stridulation in, 285

Katydids, Oregon shield-backed, distrib. of, 145

Kincaid, S.P., 257

Kleptochthonius, new cavernicolous sp. of, & new sp. group within genus, 211

INDEX (Continued)

Lahiri, A.R., Mitra, T.R., 295
Notes on some damselflies of Calcutta

Legner, E.F., 39
Musca sorbens complex in Kwajalein Atoll, Marshall Is.

Legner, E.F., Moore, I., Olton, G.S., 113
Tabular keys & biological notes on common parasitoids of synanthropic Diptera breeding in accumulated animal wastes

Levine, E., Chandler, L., 179
Low cost, battery powered blacklight trap

Libellulidae, 181

Lightfoot, D.C., 145

Lilly, C.K., 32

Little, M.L., 223

Lloyd, J.E., 285
Coxo-sternal stridulation in *Phyllophora*

Lycidae, 229

Maher, G.D., 218
Social interactions in *Polistes exclamans*

Mailing dates, 304

Mancini, E.R., Gammon, J.R., Carlson, P.H., 237
Recent collections of *Anepeorus simplex* from Wabash River, Indiana

Manley, G.V., 103
Immature stages & biology of *Orius tantillus* in rice fields of West Malaysia

Martin, R.L., 239

Matta, J.F., Michael, A.G., 11
New subsp. of *Acilius* from s.e.U.S.

Mauer, F.W. jr., 239

Mayfly *Anepeorus simplex* from Wabash River, Indiana

Mayflies, no. of genera & species of, 264

Megaloptera, 32, 223

Menke, A.S., 167
Status of Belostomatid names publ. by J.N.F.X. Gistel

Michael, A.G., 11

Mingo, T.M., Gibbs, K.E., 184
Record of *Palaeodipteron walkeri* from Maine, a sp. & family new to U.S.

Miridae, 25, 29, 61

Mitra, T.R., 295

Mizell, R.F., Nebeker, T.E., 58
New Mississippi records of *Zorotypus hubbardi*

Moore, I., 113, 256

Morphological characters used in classification of Coleopteran larvae, 249

Muchmore, W.B., 211
New cavernicolous sp. of *Kleptochthonius* & new sp. group within genus

Musca sorbens complex in Kwajalein Atoll, Marshall Is., 39

Myrmica laevinodis, extraordinary high mating swarm of, 86

Nagell, B., 86

Nebeker, T.E., 58

Nelson, M.L., 249

Nemouroidea, 17

Nesbitt, E.A., 87
Genus *Pterella* of Ethiopian & Madagascan zoogeographical regions

Nesting behavior of *Trichogorytes cockerelli*, 33

Neuroptera, 287

Neck, R.W., 181
Aberrant reproductive behavior patterns of dragonflies in human-impacted habitats.

Nycteribiidae, 239

Nymphomyiidae, 184

INDEX (Continued)

Odonata, 181, 295

Olton, G.S., 113

Orius tantillus in rice fields of West Malaysia, immature stages & biology of, 103

Orthoptera, 145, 189, 275, 285

Osgood, E.A., 280

Ownership statement, 304

Palaeodipteron walkeri, record of from Maine; sp. & family new to U.S., 184

Parascorpiops montana, redescrip. of, 75

Pepper, J.O., 280

Peters, W.L., 264

Peterson, B.V., Martin, R.L., Mauer, F.W. jr., 239
Record of some bat flies from Turkey

Phyllophora, coxo-sternal stridulation in, 285

Phytocoris tiliae, predacious mirid, 1st records from U.S., 25

Platystethus cornutus, spread in U.S., 256

Plecoptera, 17

Polistes exclamans, social interactions in, 218

Price, P.W., 98

Pseudoscorpionida, 211

Pterella of Ethiopian & Madagascan zoogeographical regions, 87

Rentz, D.C., 189
Systematics, behavior & bionomics of Costa Rican katydids of genus *Sphyrometopa*

Rentz, D.C., Lightfoot, D.C., 145
Notes on distrib. of Oregon shield-backed katydids, with descrip. of new sp. of *Idiostatus*

Reuteria, review of, with descrip. of two new sp., 61

Roback, S.S., 245
Note on feeding habits of *Clinotanypus pinguis*

Saileria, new sp. from eastern U.S., 29

Sandhu, P.S., Kapoor, V.C., 292
New record of acarine ectoparasites on northern palm squirrel in India

Sarcophagidae, 87

Scaphoideus, new sp. of, from Formosa, 171

Scheiring, J.F., 257

Scorpionida, 49, 75

Shubeck, P.P.
Alternative to pitfall traps in carrion beetle studies, 176

Carrion beetle responses to poikilotherm & homoiotherm carrion, 265

Sialis itasca, alderfly, new record for West Virginia, 32

Silphidae, 265

Sisyridae, 287

Slifer, E.H., 275
Sense organs on antennal flagellum of *Grylloblatta campodeiformis*

Soldier fly, *Solva pallipes*, unusual rearing of, 38

Sperka, C., 270
New Mississippi record for *Zorotypus hubbardi*

Sphecidae, 33

Sphyrometopa, systematics, behavior & bionomics of, 189

Spiders of Delaware, prelim. list of, 203

Spongilla flies, *Climacia areolaris*, in Lk. Texoma, Texas & Okla.

Stahnke, H.L., 49
Redescrip. of *Diplocentrus whitei*

Short notes will be published promptly in **The Entomologist's Record.**

Study notices, want items and for sale notices are published in **The Entomologist's Market Place.**

Page charges: A charge of $20.00 is made for each published page of an article, plus costs of all illustrations. Amateurs, retired scientists and others not associated with universities or official institutions, or are not subsidized by grants, and who are without funds for publishing, may apply for assistance **at the time their manuscript is submitted.** Papers may be published ahead of their regular scheduled time at a cost of $30.00 per page.

Reprints (without covers) may be ordered when corrected page proofs are returned to the editor according to the following schedule:

	1-4 pages	5-8 pages
100 Copies (minimum)	$24.00	$52.00
200 Copies	26.00	55.00
300 Copies	28.00	57.00
400 Copies	29.00	59.00
500 Copies	30.00	60.00

INDEX (Continued)

Staphylinidae, 256

Sternburg, J.G., 98

Stoneflies, distrib. of superfamily Nemouroidea in West Virginia, 17

Stratiomyidae, 38

Struble, D.B., Osgood, E.A., Pepper, J.O., 280
Notes on biology of *Cinara abieticola* in Maine & descrip. of sexuales

Synanthropic flies, 113

Tarter, D.C., 17

Tarter, D.C., Ashley, D.L., Lilly, C.K., 32
New record of alderfly *Sialis itasca* for West Virginia

Tarter, D.C., Watkins, W.D., Little, M.L., Goodwin, J.T., 223
New state records of fishflies

Tenebrionidae, 233

Tettigoniidae, 145, 189

Tipulidae, 1

Toad bug, substrate & moisture preferences in, 257

Trichogorytes cockerelli, nesting behavior of, 33

Uetz, G.W., 203
Prelim. list of spiders of Delaware

Vaejovidae, 75

Vespidae, 218

Waldbauer, G.P., Price, P.W., Sternburg, J.G., 98
Aristapedia in a Hymenopteran parasitoid

Wasp, paper, *Polistes exclamans,* social interactions in, 218

Wasp, solitary, *Trichogorytes cockerelli,* nesting behavior of, 33

Watkins, W.D., 223

Wheeler, A.G., Henry, T.J., 25
First records of predacious Mirid *Phytocoris tiliae* from U.S.

White, D.S., 287
Climacia areolaris in Lk. Texoma, Texas & Okla.

Zoraptera, 57, 58, 270

Zorotypus hubbardi, new Alabama records for, 57

new Mississippi records of, 58, 270

Zygoptera, 295
